Dear Sirs

We are glad to hear by your post card duly received that you have, or will, settle with the Brown of Paris, direct.-

Some one (perhaps Mr Oxley of Birmingham?, we did not keep a note of his name) called on us a few months ago and offd to pay us an a/c due to you, - we declined to take it, as we explained that a/cs between you & us were all settled up, and asked him to remit direct to you. We have not received any payments for you since settling a/cs. Cannot supply any of the cases you mention. With kind regards. Yours truly

Dear Sirs

Your favor of March 27th was duly received, unfortunately it came at the time of our Easter Holiday & we were short handed at the time, since then we have been hoping from day to-day to be able to attend to your requirements, but think it is as well to send a line now in apology for delay. We dispose your suggestion for us to quote the value of the coins we send, at their metal value, will be safe? we have never done so

before we shall feel a little anxious
as to whether it will carry through all
right. You do not intimate as to
how long you would require to keep the
Cocoa on approval, when we have
sent off the parcel & it has reached
you, please inform us on this point.
If not sooner, we hope during next
week to send off - Mr Pearson will
send Terms & particulars soon
after. With kind Regards

Yours Truly

Dear Sirs

Upon preparing to send you the Coins we selected from our Greek Gold & Silver, we concluded that the metal value would be too much to quote at anything under £20 and that we had better send them in two parcels. The first parcel was sent off on May 1st and will go by the Str "Westerland". The second parcel is sent off to-day. Have forwarded them per Geo. W. Wheatley Express, per Agents Messrs C. J. Hamptons & Son, Freights unpaid, Insurance prepd

With them we send copies of the Invoices
Shipping to Wheatley, and a detailed
Invoice of the Goods.

We shall be anxious to hear that
the Parcels have safely reached you.

With kind regards

Yours truly

W. S. Lincoln & Son

Dear Sirs,

We have lately received an application from Robert J. Idler 241 S. Fifteenth Street, in your City, as to whether we will supply him with coins, notably Greek and Roman. He is quite a stranger to us, and gives no references. You probably know of him, more particularly living in the same city, and we shall be much obliged for your opinion, as to whether it will be safe for us to trust him up to say £20 or £30 at a time. Any remarks you make will be of course treated in strict confidence.

We trust that the brother who has been travelling in Europe this Summer has been getting on well, and that he may possibly have returned

quite safely, with his family, to his native soil by this time.

Thanking you for the trouble we are putting you to, and with our compliments and best wishes,

We remain, Dear Sirs,

Yours Very Sincerely.

W. S. Leicoh & Son
